

TRENDSSETTER® LB

Monthly Disability Income Rider (MDIR)

OCCUPATION LISTING

The MDI rider is available on Trendsetter® LB and must be approved by Underwriting.

Part-time employees (defined as working less than 30 hours per week) are not eligible for the MDI rider. Certain occupations do not qualify for the rider coverage. Ineligible occupations may be due to hazards, persistency of business, seasonal/migrant work, or based on claims experience within the industry or company. Self-employed persons applying for the MDI rider are considered on an individual basis. Federal, state and municipal employees are normally not eligible (such applicants stating that they have no disability coverage would need to provide written documentation from their employer stating that no DI benefits are available).

Total disability coverage should not exceed 66% of the insured's income (40% in California). This includes coverage provided by group or individual disability plans. Total Disability means the inability of the Rider Insured to perform the substantial and material duties of any occupation for which the Rider Insured is reasonably suited by education, training or experience.

Total line of disability income coverage, inforce or applied for, should not exceed \$10,000.

Applicants must be employed in an occupation for salary, commission or profit, and must work full-time for at least 30 hours a week, 10 months a year.

KEY

Y = Eligible

N = Not Eligible

****** = Call Home Office regarding Municipal and State Employees. For Federal and Government Employees, the following apply:

- > Employment with the federal government of 10 years or less.
- > Normal occupational guidelines apply. (Ineligible occupations will still be uninsurable, even though employed by the federal government.)
- > Maximum benefit of \$2,000/month subject to normal income guidelines and amount of coverage in force with other carriers.
- > Maximum 2 year benefit and 90 day elimination.
- > We will not offer coverage to an employee with any branch of the U.S. Military.
